

Guest Faculty Programs

Healthy Relationships with Dr. Karen Rayne

Learn to discuss sex with your teen or tween in a manner that promotes candor and supports your adolescent in making responsible decisions about sex. In this two-part series, Dr. Karen Rayne teaches how to overcome common obstacles to productive dialogues as she instructs parents how to support their teenagers as they navigate this sensitive subject in the digital realm.

Talking About Sex: Best Practices for Productive Dialogues with Teens

Wednesday, November 17, 2010

8:00–8:45 pm EST

Thursday, February 3, 2011

8:00–8:45 pm EST

How can parents constructively discuss sex with their teenagers and tweens? What information is essential for parents to communicate? Is it possible for both parties to feel comfortable in a potentially distressing situation? Youth sex and sexuality are seemingly formidable topics for many parents to broach. Uncertainties about how to start conversations, disclose age-appropriate information or impart family values often overwhelm parents. Learn to discuss sex with your teen or tween in a manner that promotes candor and supports your adolescent in making responsible decisions about sex. Understand how to overcome common obstacles to productive dialogues with meaningful results.

Digital Dilemmas: Understanding Teen Sex and Romance in a Technological World

Thursday, January 13, 2011

8:00–8:45 pm EST

Monday, March 27, 2011

8:00–8:45 pm EDT

Are adolescents discussing sex more, or have new outlets made sexual dialogue seemingly more common? Do tweens and teens understand the potential consequences of engaging in public discourse on social networking sites? How can parents understand young love in the modern realm? As cell phones become handheld computers, there is an array of possibilities to interact instantaneously. Many teenagers have easy access to each other through texting and social networks. Dr. Rayne explains current trends, describes their legal and social implications and informs parents of how to best support their teenagers as they navigate through an increasingly technological world. Understand best practices for communicating to adolescents the permanence inherent in digital interaction.
